WHAT'S IT ALL ABOUT?

A lively, fun, early childhood creative movement program for every age, a choreographer's inspiration and whole child developmental approach.

Founded by dancers and parents Rebecca Kelly and Craig Brashear, KCM provides a learning foundation using music, motion, tumbling and song, using a variety of fine music while building clear vocabularies of movement and speech.

Learn dances *with* children in parent/child classes reinforcing developing skills. In Pre-K *drop off* creative movement classes, students augment social, memory, and concentration skills.

The *After-school program* for ages 3.5 through teen continues with increasingly formal training in modern dance, ballet, and performance. Classes encourage making friends, respect for good health habits, valuing effort, and constructive time together.

SoHo Location: at the spacious Rebecca Kelly Ballet Studio, 579 Broadway, 4B, (walk up), between Prince & Houston. **Visit** Kidsco-Motion.com for more information.

Offerings based on enrollment. All classes are conducted for mixed ages. Teacher evaluation required for readiness. Appointments for trials or drop-ins. Sibling discounts.

Kids Co-Motion teachers' sensitivity and warmth coupled with the highly motivating and structured dance routines have proven to be very successful at our school."
