WHAT'S IT ALL ABOUT?

A lively, fun, creative movement program for every age, a choreographer's inspiration and whole child developmental approach, toddlers to teens.

Developed by dancers and parents Rebecca Kelly and Craig Brashear, KCM provides a learning foundation using music, motion, tumbling and song, and a variety of fine music while building clear vocabularies of movement and speech.

Learn dances *with* children in adult/child classes reinforcing developing skills. In Pre-K *drop off* creative movement classes students continue to develop social, memory, and concentration skills.

The *After-school program* continues with increasingly formal training in modern dance, ballet, and performance for Tweens and Teens. Classes encourage making friends, a respect for good health habits, valuing effort, and constructive time together.

Located in SoHo: at the spacious Rebecca Kelly Ballet Studio, 579 Broadway, 4B, (walk up), between Prince & Houston. **Visit** Kidsco-Motion.com for more information.

Offerings based on enrollment. Early Childhood classes are 45 min. Teen classes are 60 - 90 min, conducted for mixed ages.

Kids Co-Motion teachers' sensitivity and warmth coupled with the highly motivating and structured dance routines have proven to be very successful at our school."
