

## WHAT'S IT ALL ABOUT?

THE EDUCATION PROGRAM OF REBECCA KELLY BALLET. A lively movement program for every age, a choreographer's inspiration and whole child developmental approach.

Founded by dancers and parents Rebecca Kelly and Craig Brashear, KCM provides a learning foundation using music, motion, tumbling and song, accompanied by a variety of fine music while building clear vocabularies of movement and speech.

The **After-school program** for ages six years through Teens provides progressively formal training in modern dance, ballet, performance, and choreography. Small classes encourage making new friends, respect for good health habits, valuing effort, dance vocabulary acquisition, accessing creativity, always providing a dynamic, productive time together.

Learn dances *with* children in the **adult/child classes**, stimulating and reinforcing important developing skills. In **Pre-K drop off creative movement classes**, students augment social, memory, and concentration skills.

**Location in SoHo** at the spacious Rebecca Kelly Ballet Studio, 579 Broadway, 4B, (walk up), between Prince & Houston. #6, F, N, R **Visit** Kidsco-Motion.com for information.

Classes are conducted for mixed ages, and based on enrollment. Teacher evaluation required for readiness. Appointments for trials or drop-ins.

"Kids Co-Motion teachers' sensitivity and warmth coupled with the highly motivating and structured dance routines have proven to be very successful at our school."
